

Talented Youngsters Urged To Attend Nov. 6 Tryouts

The Torrance Recreation Department today issued a call to all young talent who would like to be in the Recreation department's annual Christmas program slated for Saturday afternoon, December 18, 1954.

The program, which will be under the direction of Mrs. Bettie Thomas and Herman Bogdman, will feature young boys and girls from the Torrance area. Individual acts, team acts, and variety acts are all needed to round out the show and local dance studios are invited to participate.

First tryouts are scheduled for next Saturday, November 6, from 12 noon until 2 p.m.

Last year's Christmas program was a tremendous success and the auditorium was nearly filled to capacity, said department officials. It was a stage show in which Santa himself had a part, and he later went into the audience to get acquainted with all the little children in the audience.

He has promised to return again this year for the show, but he needs the help of the young talent of Torrance in order to put on a show that will please the kids.

Other tryouts and rehearsals are tentatively scheduled for the auditorium from 12 noon to 2 p.m. on the Saturdays of November 13, 20, 27, and December 11. An evening rehearsal from 7 p.m. to 9 p.m. on Thursday, December 9, is slated. The dress rehearsal is Thursday night, December 16, from 7 p.m. to 9 p.m.

Perry P.T.A. reported 539 new members as having joined the P.T.A. as of their last meeting. Mrs. A. F. Kupka is Perry P.T.A. membership chairman.

POPULAR GORDON GRAY will act as master of ceremonies during the four-day grand opening celebration of Clark's Market. The new local supermarket opens today at Hawthorne ave. and Pacific Coast Highway.

Clark's Offers National And Local Brands

Nationally advertised lines of groceries plus all the best of the local brands will be available at the new local Clark Market at Hawthorne Ave. and Highway 101.

The store, which opens today, will celebrate a four-day grand opening with many specials and featured entertainment.

"The famous Clark slogan of 'often a dime less—never a penny more!' will be amply demonstrated during this grand opening sale and every day thereafter," stated Mark Schulman, president of the Clark Market chain of super marts.

"Tremendous popularity of the Clark Markets over the years has built their sales to the point where it is now possible for Clark Markets to do all their grocery buying in straight carload lots," Schulman said. "No opportunity is overlooked in passing on to Clark customers the economics effected by car load buying, distribution costs, and other factors."

COUNCIL APPROVES LEASE WITH BUS ADVERTISING FIRM

Approval of 522 lots to be developed by the Milton Kauffman Construction Co. was granted by the City Council. The tract is located westerly of Hawthorne ave. and northwesterly of Del Amo blvd. and is part of a 2500 home tract.

New Local Clark's Supermarket Features Many Special Sections

The new Clark Supermarket in Torrance, located at Hawthorne ave. and Pacific Coast Highway 101, is a complete one-stop shopping center featuring many novel departments. In its own special section will be featured fancy imported food delicacies from all over the world.

With the recognition of weight control as an essential factor of health, large numbers of people are turning to the low caloric dietetic line of foods. The new Clark Supermarket will carry the most complete selection of dietetic foods to be found anywhere, all conveniently grouped together in its own department.

Frozen Foods
Huge new refrigerated cases will accommodate the ever growing line of quick-frozen foods. The tremendous section devoted to frozen foods will make it possible to properly display the numerous popular items in such a way to make shopping convenient and easy, it was stated.

The management of Clark Markets is also happy to announce the complete jewelry store for the new market operated by Kerman and Morillo. By no means newcomers to the jewelry field, Kerman and Morillo now have no less than four jewelry units in Clark Markets.

"Exceptionally fine watch cleaning and repairing over the

years has always been one of their outstanding services," Schulman stated, "and besides, they have won for themselves an enviable reputation by selling at remarkably low prices all kinds of jewelry, diamonds, watches, clocks, small house-

hold appliances, and other related items. In addition they are well equipped to help solve any problems connected with jewelry."

Snack Bar
Another welcome old friend in the Clark Torrance Market

will be Smitty's Snack Bar, already operating very successfully in the Clark Gardena Market at Crenshaw and Compton Blvd. and the Manhattan Beach Market, it was disclosed. Feature attraction of Smitty's Snack Bar will be a good cup of hot coffee at a regular everyday price of 5 cents.

Another outstanding department in the new Torrance market will be Irene's Bakery.
