## Nativity Midgets Defeat McMaster Park Cadets 14-6

By ELMER "RED" MOON, City Athletic Director

Coach Frank Krisufek's Nativity Midgets defeated McMaster's Park Cadets, coached by Vern Clary, by a 14-6 score, in a playoff of a midget league game played at McMaster's Park last Saturday morning.

The game, originally scheduled to be played at 7 p.m. last Tuesday evening, was postponed to the new date to prevent the Nativity boys, who are also in a CYO league, from playing two games the same day.

### Pee Wee Games

Pee Wee games, for boys 11 years and under, played under the lights Monday evening at Walteria and McMaster's parks, attracted more than 75 parents, many of whom were seeing their future All American players in action for the first time. Coach Robert Dollardhies Seaside Walruses had the misfortune of losing their first game by the forfeit route, due to a misunderstanding of their meeting place, for transportation to McMaster park, to meet Coach Les Breitenfeldt's Cadets.

### Eagles Win

Coach Lloyd Harline's Walteria Eagles scored an impressive, 34-14 win over Coach Pat

Malone's Panthers in the 8 p.m. game.

The winners enjoyed a first half lead of six points, the scoreboard showing 14-7.

The Panthers threatened to make a game of it in the third period as the score narrowed slightly to 19-14, but the Eagles punched across a pair of TDs and a conversion in the final period to clinch the contest.

### TD In Each Period

In the 7 p.m. game at Walteria, Coach Vern Clary's Mudhens were in rare form in subduing Coach Freddie Solis's tricky Bee squad, by a 26-6 count. The Mudhens scored a touchdown in each period and limited the Bees to their single counter in the second period. The halftime score read 13-6.

In the 8 p.m. game, Coach Logan T. Brown's Trojans copied their opening game from El Retiro Park, by a 27-0 score. The victors took the opening kickoff and ran it to the promised land and converted. They hit paydirt next in the third period and added two more, making good on both extra point tries, in the final period.

In all fairness to the El Retiro squad, it should be stated that they have had but one workout with their new coach, Ted Goudy. With more practice under their belts El Retiro will be a more formidable opponent, according to Coach Goudy.

### Change

Another change in the Pee Wee coaching ranks is slated for next week, according to Elmer "Red" Moon, city athletic director, when Bob Thornton will be at the helm and guide the destinies of the Seaside Walruses. Thornton is taking over this team in behalf of Coach Rollardhies, who attends school on the scheduled nights of play and is unable to be with the team.

## Shingle Boat Regatta Again Scheduled For Alondra Lake

Youthful shingle boat "yachtsmen" from Los Angeles County Parks today were getting their sailing craft into shape for the next regatta which will be staged Saturday, November 13, at Alondra Park Lake, 3535 West Redondo Beach boulevard, Lawndale.

Many of the boats are veterans of the shingle boat regatta last June, when the boys from Alondra Park playground won the honors from teams of other county parks.

### Starting Time

The races will start at 1 p.m., following a registration period at lake side. Feature race of the day will be for 200 feet. Motor boats will patrol the lake to pick up the winners and rescue the wind casualties.

Preceding the competition, judging will be conducted for the best constructed boat, the best decorated boat, and the most unusual boat.

## in a new Automatic GAS CLOTHES DRYER

With a gas clothes dryer, you simply set the controls for the degree of dryness you want—"dry" or "damp dry." In minutes, clothes are ready to take out.

"Damp dry" clothes iron quickly and easily. No sprinkling necessary. Many items like towels, cotton knits and corduroys dry so wrinklefree they need no ironing. Just smooth out, fold and store.

Ultra-violet lamp gives laundry a sweet, fresh fragrance. Clothes are fluff-dried in dust-free, germ-free air. No danger of fading—colored fabrics stay bright.

**FREE INSTALLATION**

If you buy now, normal  
installation is free.

Illustrated is the CALORIC Automatic Gas Clothes Dryer.

One breath will convince you! Clothes dried in a new automatic gas clothes dryer have the sweet fragrance of a sun-splashed morning in spring.

What's more, air in a gas clothes dryer is far cleaner than the dust-laden breezes that whip across many a drying yard. Colored fabrics stay bright—last longer.

So, for the softest, fluffiest, sweetest-smelling wash ever, dry your clothes the

Modern Way—in a new automatic gas clothes dryer. For a typical family of 4 the operating cost for a dryer is less than 35¢ a month. And for a limited time normal installation is free.
