Accompanying Harry C. Harper, manager of the Torrance office, will be staff managers James Trani, William Hanger,

Staff managers Trani and Hanger and agents Early, Bee-

lar and Stiwel have been singled out for special honors and will receive membership in the Western Leaders Roundtable, an organization of leading Prudential underwriters.

The Torrance delegates will meet with more than 200 top Prudential field men from the California coastal area to discuss problems of the life insurance industry and methods of bringing added service to policyholders.

John P. Healey has been hired as an elementary teacher by the Torrance Unified School District.

Revival To Close This Sunday At Narbonne Baptist

The Narbonne Avenue Southern Baptist Church Revival will close with the Sunday services.

The Sunday School attendance record was broken on the past Sunday, the previous record being set on Easter Sunday.

The guest speaker for the revival is Texas pastor Rev. John Halford. The public is invited to all the services and a nursery is provided for small children.

PARTY ENDS IN BRAWL, 2 SLASHED

Two boys received knife wounds and another was held by juvenile authorities on an assault charge as a result of a brawl at the Hollywood Riviera Club Saturday night.

Slashed across the left arm with a butcher knife was Nestor A. Padilla, 20, of 1633 West 204th street. He was slashed in a fight which started after another victim was struck on the head with a bottle, according to police.

Slugged on the head was Thomas Acosta, 19, of 17821 Western avenue.

A 17-year-old boy apparently started the fight when he hit Acosta with a beer bottle at the dance and wedding reception, according to Sgt. D. C. Cook.

Three police cars raced to the scene to help Cook put a stop to the uproar.
