goal in the one-day Community Chest drive last week. Workers collected \$9605.83 of the \$11,373 residential goal. The total amount collected, including commerce and industry, was 62 per cent of the total \$18,000 goal. Mrs. Ella Schwartz reported 100 per cent for the advance gifts.

**STOLEN CHECKS:** Check warnings were issued this week against stolen blanks taken from the Bank of America, Hermosa branch. The blue, commercial or business checks are numbered from 8400 to 8700 and are printed for Charles M. Taft, insurance. Checks are signed by T. Moore, described as 40 years or older, 5'8", 150 pounds. Three checks, two for \$35, one for \$150 have been cashed, according to Det. Sgt. Percy Bennett.

Mr. and Mrs. Donald G. Dillon, of 555 E. 223rd St., announce the birth of a daughter, Jana Lynn, weighing 7 pounds and 3 ounces.

### Diogenes Put To Shame By 2 Local Men

Diogenes of old, who spent his life-time looking for an honest man, had the misfortune of looking in the wrong places and at the wrong time. Had he been in Torrance last week, he wouldn't even have had to use a lantern and could have found not just one but actually two honest men within a stone's throw of each other.

John T. New of 1561 W. 244th St., happened to find a Community Chest collection envelope with \$4 inside it lying on the street. He consulted with his landlord, Joe Cappuccio about the find, asking him where to return it.

Cappuccio thought the best place to take it was the Torrance Press, which he did promptly. The money and envelope were returned instantly to the Community Chest headquarters.

There will also be balloons for the children.

#### CHARMED BY MUSIC

The only effect of music on a reptile is to arouse its curiosity. It protrudes its head from its burrow merely to see what the "noise" is. The trickery of traditional "snake charmers" consists of using tamed snakes.

"Fully insured" that is music to a family's ears, after a fire. Come in and talk is over with us. Make sure your policies cover present replacement costs.
