CHRISTMAS DECORATIONS TO BE DISPLAYED IN ALLIED GARDENS

Community-minded Allied Gardens will soon be wearing its Christmas-best. Allied Gardens homeowners are starting to decorate their homes for the holiday season. A contest will be held and prizes will be awarded for the most outstanding outdoor decorations.

Decorations must deal with one of the following three themes to be eligible for the contest: religious, lights, children (Santa Claus, snowmen, and so forth).

Three prizes will be presented for each of the three themes. The three first prizes will be Christmas turkeys from Clark's Market; second prizes, \$7 grocery orders from Clark's; and third prize, \$5 grocery orders from Clark's.

In addition, the Torrance Retail Merchants' association will present a trophy for the most outstanding display in Allied Gardens, and letters of commendation will be presented to the runners-up.

Prizes will be awarded on the basis of beauty and ingenuity, with cost not being a factor, Fowler stated.

Even Santa Claus has been notified and will be on hand to pass out candy canes to the children, courtesy of Clark's market.

The date for the judging and the names of the judges will be announced soon. The judging will be held a few days preceding Christmas, Fowler said.

The contest is sponsored by the Allied Gardens Homeowners' association.

Expect OK On Airport Property

Washington's approval withdrawing the recapture clause on the Torrance airport triangle is being awaited now, but City Attorney James H. Hall felt confident that this approval would go through without a hitch as he returned last week from the nation's capital.

Hall flew to Washington in order to clear the matter speedily with the Civil Aeronautics Authority and Defense Department. The 35-acre commercial area is presently under option to Coldwell-Banker, a huge Southland developer.

The firm indicated that it was interested in the area only if the recapture provision could be eliminated.

Hall informed Washington officials that the triangle is separated from the rest of the airport by Crenshaw boulevard, and is thus useless for airport purposes.

The recapture clause was written into the airport deed by the federal government in 1947. It provides that the field could be taken over by the federal government in 1947.

Painting Stucco

Answers to questions about Nalcrete

Q. What new development has revolutionized the painting of stucco homes?

A. "Dutch Boy's" amazing new polymer paint, Nalcrete.

Q. How does Nalcrete differ from ordinary paints when first applied?

A. Ordinary stucco paint often looks blotchy at first then "weathers" out to a uniform color. But Nalcrete gives a beautiful, uniform color the instant it is dry.

Q. What happens as Nalcrete "ages"?

A. Nalcrete holds its color without fading; washes sparkling clean in hard rains, leaves no dirty streaks. It defies sun, storm and fog, and, most important, it does not react with the alkali present in most masonry surfaces.

Q. Is Nalcrete available in colors as well as white?

A. Yes... in a wide range of colors from the "Dutch Boy" Color Gallery, plus easy intermixes.
