

DEAR SANTA CLAUS

(Continued from Page 2)

Dear Santa Claus,
I'm a little girl 4 years old; and I live in Harbor City. I love you very much and I'm looking forward to seeing you this Christmas.

I have been a very good girl and would like you to bring me a doll, an ironing board and iron, a cash register, an accordion and musical bells.

Lots of Love,

Dear Santa Claus

This Christmas I would like a sewing machine. I have been a good girl, and in going to be better if I get my wish. My sister wants a Tiny Tear doll and my brother wants a Puppy. They have been good to. I also have a baby brother, but he is little to want anything, but bring a toy for him to and also a stroller. Santa when you come to my house we are going to have some cocoa and some cookies my mom made for you. I am 7 year old.

yours truly

TRAFFIC SIGNALS ARE IN OFFING, P-TA TOLD

Mrs. Bert Cook, corresponding secretary of the North Torrance Elementary P-TA, read a letter at the December meeting, from the State Division of Highways, informing the association that a traffic control system is to be installed at 174th and Casimir streets in the near future.

A letter from the Student Council was also read, wherein it was requested that money usually spent for treats from Santa be given to a worthy cause instead.

The board voted to recommend to the association that the money be divided as follows: Christmas welfare baskets, \$25; milk fund \$25; dental fund \$25; and American Field Service \$25; to be given in the name of the Student Council. Ten dollars was voted to be donated to the project.

P-TA president Mrs. Francis Stoeckle announced that donations were being solicited for the Christmas party December 22 at McMaster Park.

The 7:30 p.m. meeting, held at the 17204 Ardath avenue home of Mrs. Duane Sherwood, was climaxed with the exchange of small gifts, holiday recordings, and refreshments served by the hostess and Mrs. Clark Harris.
