Parents Seek Crossing Guard

A campaign to obtain a crossing guard at Plaza del Amo and Cabrillo is now being waged by near-by residents who want to avoid further accidents such as the recent one in which a five-year-old boy was struck by a car.

Intention to circulate petitions for a crossing guard to be submitted to the Traffic Commission and City Council were announced this week by Mrs. Sam Harris of 1776 Marinette and Mrs. Bernice Widovich of 1775 Marinette.

Lomita C of C Plans Civic Center Drive

Lomita's growing pains not only involve the zoning issue now being debated hot and furiously, but a campaign is also under way to construct a new civic center.

The civic center drive, organized by the Chamber of Commerce, is being headed by Tim McCormick, incoming president of the chamber.

Sought is a building or group of structures to house a sheriff's sub-station, building department, health department and library.

McCormick pointed out that a library and building department office already are located here, but occupy rented spaces at separate locations. The community is served by the health department from a center in Torrance and by the sheriff's sub-station at Lennox.

Cost of constructing the center could be met from proceeds of bonds recently voted by the county, it was stated.

On the committee with McCormick are Harry Bowker, Glenn Keith, Hank Goethals and Cy Hopkins.

They plan to meet with Supervisor Burton W. Chase on the matter and may circulate petitions, it was indicated.

Martha Ann Hayes has been assigned as teacher in the Torrance Unified School District for the coming school year.

James Roy Armstrong has been assigned as teacher in the Torrance Unified School District for the coming school year.
