**GIFTS FOR ELDERLY:** Torrance JayCettes (l. to r.) Mmes. John D'Ornellas, Charles Herren, and John Smith, ready gifts wrapped at the D'Ornellas home last week in preparation for the group's Christmas project of presenting small personal items to elderly patients at Harbor General Hospital.

## Jaycettes Wrap Gifts For Elderly Patients

The Torrance JayCettes have been busy with their holiday Christmas project of preparing and wrapping gifts for their contribution of small personal items to help cheer the elderly at Harbor General Hospital this Christmas season.

Mr. and Mrs. Paul W. Backlund, of 22823 Mariposa Ave., announce the birth of a son, Michael William, weighing 7 pounds and 3/4 ounces.

### HARVEY...

(Continued from Page 1)

structure will house heat treating, aging, and annealing units accommodating extrusions 80 feet long; a 1500-ton and a 750-ton hydraulic stretch-straightener; and auxiliary finishing equipment.

### One-Piece Frames

The heavy extrusion presses were designed primarily to produce "one-piece" airframe members of much larger size than is possible with present extrusion equipment. With the 12,000-ton hydraulic press, Harvey will be able to produce aluminum alloys into shapes up to 80 feet long and 25 1/2 inches wide; and by utilizing special extruding techniques, the Southern California firm will be able to produce panel-type shapes in single sections as wide as 60 inches.

The producibility of heavy press aluminum extrusions with greater cross-section, weight, and length dimensions will allow industry to reduce fabricating and machining time and affect substantial manufacturing economies.

Chairman of the project is Mrs. John (Ester) D'Ornellas, with Mrs. Charles (Jea) Herren, Mrs. Dale (Lorraine) Stanton, Mrs. Joseph (Dorothy) Banks, and Mrs. Howard (Helen) Percy assisting her with the planning, shopping and wrapping of the gifts.

Members of the Christmas Project Committee met at the home of Mrs. John (Ester) D'Ornellas, 805 Felbar avenue, last week for a "wrapping party."

Each gift was wrapped individually and tied with a Christ-

mas card signed by the Torrance JayCettes. After the gifts were attractively wrapped and packed in boxes for their delivery to the hospital December 21, the group relaxed with cake and coffee served by Mrs. D'Ornellas.

Mr. and Mrs. Robert G. Thirtle, of 359 E. 218th St., announce the birth of a daughter, Sharon Anne, weighing 8 pounds and 10 ounces.

Mr. and Mrs. Paul W. Crafton, of 1249 Cabrillo, announce the birth of a daughter, Paula Sue, weighing 5 pounds and 6 ounces.
