

Harbor General Hospital To Receive \$31,600 Fund

An appropriation of \$31,600 for improvements to Harbor General Hospital was authorized Tuesday by the Board of Supervisors, it was announced by County Supervisor Burton W. Chace.

According to Chace the appropriation will provide for the covering of open walks to fourteen corridors of the hospital. Chace said that Tuesday's approval of the appropriation and the plans and specifications for the work means that bids for the project will be called for in the very near future.

Xmas Shopping Opossum Ends Up In Box

Children have a way of getting lost in the Christmas rush, and so, apparently, have opossums.

While Leonard Swenson of Len's TV, 1627 W. Carson, was looking out of his store, he happened to see an opossum stroll nonchalantly into the Shoestring Variety store, at 1639 West Carson, last week.

Swenson, who said the sight struck him as if he had seen a man from Mars, alarmed his son, Donald, 12, and the owner of the variety store, Chuck Moore.

Donald and Moore promptly planned their strategy which consisted of cornering Peter 'Opossum and dumping an empty box over the visitor.

Though the four-footed visitor was still in a fighting mood over this discourteous treatment, his host, Donald Swenson, hopes to make a household pet out of him. Right now Peter 'Opossum may be seen in front of Len's TV.
