Residents On 174th Complain Of Dumping

Residents along 174th street
between Crenshaw boulevard
and Hawthorne avenue have
been complaining about care-
less motorists who throw bot-
tles and refuse out of their
cars.

Bottles are often thrown
across the fence right into
someone's front yard. A num-
ber of residents have to go out
daily to pick up the broken bot-
tles.

"People should have a little
courtesy and realize that some-
one lives on the other side of
the fence," one resident stated.

Ethel Mae Bounds Mosley has
