

Hammontree In Austrian Maneuvers

Pfc. Everett Hammontree, 21, of Waymon Hammontree, 2210 Torrance blvd., Torrance, recently participated in Exercise Roundup, an Army training maneuver in Austria.

Held under simulated combat conditions, the week-long exercise included attacks by an "Aggressor Force" of British soldiers. In anticipation of the attacks, U. S. troops evacuated the area in a test of mobility.

Hammontree, a gunner in Company C of the 350th Infantry Regiment, entered the Army in June 1953 and completed basic training at Ford Ord, Calif.

Beauty And Progress Theme Of No. Torrance Meeting

Beauty and progress is to be the theme of the North Torrance Civic Improvement Association's meeting of April 6, according to an announcement of Muri Reeves, president. The meeting is scheduled for McMasters Hall, 3624 West 174th street at 8 p.m.

This film, 20 minutes in length, shows how Torrance has grown into a beautiful residential area and yet retained its industrial features. It has been acclaimed far and wide for its unusual treatment of the subject.

These workers have been active this past month in contacting their neighbors in the interest of developing a unified ornamental lighting system.
