The Exciting New NASH Metropolitan for 1955

In Every Detail the Finest Car of Its Size Ever Built
RECORD-BREAKING ECONOMY
WITH SPARKLING PERFORMANCE
Offers up to
40 miles per gallon

- CHECK THESE AMAZING FEATURES:
- ✓ The new Nash Metropolitan stands only "fifty-four and one half inches high!"
 - ✓ Its low price includes such equipment as directional signals, cigarette lighters, foam rubber seat cushions, custom upholstery, and smart continental rear tire mount!
 - ✓ It's a perfect business car for those who use a car constantly and want lowest operating costs combined with amazing parking ease.
 - ✓ Life-saving safety. Double strength single unit car construction gives you sturdiness never before possible in a car of this size. Body and frame are welded into a single unit.
 - ✓ Exclusive deep coil ride suspension, plus low center of gravity and scientific distribution of weight, combine to give the Metropolitan unusual "cornering" stability and a most comfortable ride.
