## Saxon... High... Lights

By BONNIE WILLIAMS

The North high Saxons were beaten by the San Marino Titans last Friday night on the San Marino field. The final score was 48-7 in favor of the Titans. Our team improves with each game and the boys on the team are really fighting for their school. Keep rooting kids, their success depends on you as much as ever.

**CUTE COUPLES**  
Larry Lutz and Carol Samson of THS are still on the steady list. Jim Powers and Margie Osterloh also, Bob Wyatt and Juanita Urban are a new twosome, Bart Davidson and Bev Woods have been going together since the middle of last year, Johnny Swortfiguer and Dianna Standley are also a new twosome.

**SNOOPIN' AROUND**  
Happened to see the steady eyes of a set of doubles trained in the direction of a new freshman by the name of Darell Adamson.

Lella Santor's lucky number seems to belong to a certain first string varsity player. Saw Bob Walker walking Bonnie Thorne to class last week. Loren Jones is still playing the field, and a pretty big one at that.

Larry Anderson has his eyes wide open again, a good opportunity for some girl. Our best wishes to Mel Saucier upon her release from the hospital following an appendectomy.

Voting for football queen of North High has taken place. The top 15 were announced at a special rally on Tuesday.

## 'Twin Pontiac' Will Show Another First Tomorrow

Pontiac introduces another first, a completely new development in automatic transmissions, it was announced by the Pontiac Twins, Richard and Robert Greenwald, owners of Twin Pontiac, 505 Pacific Coast Hwy., Hermosa.

who will show the "all-new" 1956 General Motors masterpiece tomorrow. The car features the Strato Flight Hydra-Matic transmission.

R. M. Critchfield, Pontiac general manager, said, "We are proud to be the first to bring this important new controlled fluid coupling Hydra-Matic transmission to the buying public. It is smoother, quieter, cooler running and more efficient than any transmission ever offered. Coupled with our 227 horsepower 1956 Strato-Streak V-8 engines, the revolutionary new Strato-Flight provides a new standard of driving ease and safe, instantaneous power."

**New Body Style**  
The Twins also revealed many other Pontiac innovations this year including the Catalina coupes and Catalina 4 door sedans, and new body style this year, will be available in all series, the low priced 860, the luxury 870, and the large Starchief.

Thus even though prices are going up, the Pontiac Twins will be enabled to continue to

sell Pontiacs for less than the price of Chevrolets, Fords, and Plymouths in the local market.

A new battery which has rubber separators instead of wood; new head-lamps for better night visibility; new rear-spring insert for riding comfort, and an air conditioning unit located entirely under the hood are other features.

**New Cars Tomorrow**  
The Twins said they expect to have 50 new Pontiacs tomorrow so everyone will be "able to get in and drive this luxury car."

One of the exciting models in Pontiac's beautiful new line of 1956 automobiles is the 860 Catalina coupe.

The fleet, luxurious Pontiac Starchief, finished in modern, metallic color and upholstered sumptuously in leather and nylon fabrics, riding on a road-leveling 124 inch wheelbase, powered by a 227 h.p. engine, is on display tomorrow at Twin Pontiac, 505 Pacific Coast Hwy., Hermosa Beach.
