Surety Co. Estates Near Completion

With construction nearing completion and almost immediate occupancy possible, sales at Fairview Estates are steadily mounting.

Fairview Estates is a project of the Surety Development Co. The telephone number of the sales office is Terminal 3-4114. Liberal terms to both vets and non-vets, a location adjoining the Miraleste section on the eastern slope of the Palos Verdes Hills overlooking the ocean and harbor, and three-bedroom, three-and-a-half, and four-bedroom houses with two baths have combined to capture the public's interest.

Fairview Estates is reached by taking Pacific Coast highway to Western avenue, turning south three miles to Crestwood st., opposite Peck Park, then west to the models, which are open daily from 10 a.m. to 6 p.m.

Coordinating Council Will Meet Tonight

Torrance Coordinating Council will meet tonight, February 2, in room 3 of the Greenwood Elementary school, Greenwood and Sonoma streets. All interested persons, as well as representatives of P.T.A., civic, religious, and service groups are welcome at all Coordinating Council meetings, said Lester Foster, president.

Meetings are held the first Thursday of each month from 7:30 to 9 p.m. at the school. Refreshments will be served by Torrance Elementary P.T.A. Inc. at tonight's meeting.

The formation and function of five committees was discussed at the last meeting of the Torrance Coordinating Council. These five committees are: Recreation for youth and adults, youth activities, human relations and community hospitality, safety and civic improvement, and health, welfare and mental hygiene.

It was decided that the Co-

ordinating council would strive for the realization of a youth center or four separate youth centers to serve the various geographic areas in Torrance.

Klein, consultant on community relations, was the great importance of the committee on health, welfare and mental hygiene. Also discussed by Julius
