Does your occupation demand constant "eye reaching" from the comfortable reading range of your glasses to type-matter or objects, 22 to 30 inches from your eyes? Are you over-tired or "headachy" after a day's work? Better change to CONTINUOUS VISION LENSES! They assure clear, strain-free vision at ALL distances without head bobbing or neck craning. You'll feel better and work better! Not expensive; easy terms. Ask for a demonstration, without the slightest obligation.

### Kenny's Shoe Repair Lands in Second Place

Kenny's Shoe Repair basketball team put on a 15 point scoring surge in the 4th period to ring up a 45-50 win over Roy's Service Station's quintet in the Torrance high boys' gym last week Tuesday. The win dumped Roy's Boys into second place in the Torrance Recreation League, and left the winners still atop the standings alongside the Lutheran Men's club each sporting five wins against a single loss.

Forward Bill Baron garnered 18 points to pace the winner's attack. Center Paul Smith hit for 14 points for the losers. In other games played that evening, Burchfield Rug Works took an early lead in the first game and coasted to a 61-37 win over the Knolls Drugstore professors five.

Carl Strong was high scorer for the winners with 14 counters. Nick Dellon, playing forward for the losers, hit 20 points for game high honors. Longren Aeros threatened in the first half, but fell beneath a 36-point second period scoring spree by the Lutheran Men's club. The final score read 61-42, Bill Fraser of the winners netting 20 from a forward position. Gerald Balster of the losers also hit for 20 from his center slot.

### Gen. Sturgis To Inspect Flood Channel

County Supervisor Kenneth Hahn today requested Colonel H. E. Hedger, chief engineer of the County Flood Control district, to conduct Lt. General S. D. Sturgis, Jr., chief of the Army Engineers corps, on an inspection tour of Dominguez channel over this week-end.

General Sturgis is scheduled to arrive in Los Angeles Sunday to inspect flood control projects and the problems created by the recent heavy storm in Los Angeles county.

Supervisor Hahn asked Colonel Hedger specifically to show General Sturgis the flood damage at Arlington avenue and Dominguez channel, where the road was completely wiped out, and the damage done to 174th street at the Dominguez channel crossing where the street was badly flooded. Both of these locations are in North Torrance, an area hard hit by the storm.
