9 Girls This Year, Make Way for 1971

Mr. and Mrs. Kenneth Cun ningham of 1923 Reynosa, celebrated the ninth birthday of their daughter, Jorie Louise. with a party at their home last week

Eight guests joined Jorie in the merrymaking, providing one little girl for each of Jorie's birthdays to date. Should the Cunninghams continue adding a guest with each birthday. there will be quite a banque held in Torrance in 1971.

The guests included: Jill and Judy O'Hora, Mary Green, Gayle Hardesty, Linda Siefers, Jackie White, Christine Donnish, and Patricia Hayward. In keeping with the fact that Jorie was born in time to be an early and very sweet Valentine, Mrs. Cunningham used the Valentine theme in decoration for this ninth year celebration. Red cupids, blue flowers, and red hearts graced the white covered table. Heart shaped candies; a heart-shaped cake decorated with pink frosting and pink candles and individual matching cupcakes represented the edible side of the gala theme

Daniel Cunningham and Jim-mie Evans joined the party intermittently.

Show Post Appointment of Art Iko of Torrance to the Cut Flower Growers committee of the California International Flower Show was announced by Man fred Meyberg, general chair 202 HERMOSA AVE. (Redondo Triangle)
