RUMMAGE SALE SET

The Ladies of the Elks will hold a rummage sale, Friday, February 24, and Saturday, February 25, at 1425 Marcellina. The sale will continue from 9 a.m. until 6 p.m. on both days.

PARENTS!

Good eyesight is a "must" in the formative years. Yet, younger children are not aware of faulty vision. Only scientific testing can accurately measure a child's ability to see. Be on the safe side! Bring the youngsters in for a vision check-up. If glasses are not needed, we will tell you. Come in soon... Enjoy the peace of mind that comes from knowing your children are free from the handicap of imperfect vision!

Women Desperately Needed To Buy 'Tomorrows' For Children

WELCOME YOUR HEART FUND VOLUNTEER—Three-year-old Pamela Brinkley, and her mother, Mrs. W. H. Brinkley, at left, 3411 187th Place, Torrance, joins Mrs. B. T. Whitney, Heart Fund volunteer from Torrance, in urging

citizens to welcome their Heart Fund volunteers on Heart Sunday, February 26. Pamela, who was born with an auricular defect of the heart, underwent surgery made possible by the Heart Fund.

HEART SUNDAY DRIVE NEEDS VOLUNTEERS

Women are needed in Torrance this Sunday, February 26, for the same reason that women are needed every day, for the love in their hearts.

Such love can reach out to embrace the whole world. The Heart Fund campaign in Torrance is counting on this quality to bring dozens or even hundreds of women to give an hour of their time on Sunday to make personal visits throughout the city gathering donations for the Heart Fund.

Volunteers may contact Mrs. B. T. Whitney, chairman of the Women's Division, at FA 8-2994; Mrs. C. T. Rippey, special gifts chairman, at FA 8-1195; or Mrs. W. I. Laughon, clubs and organization chairman, at FA 8-1596.

These three women who are representative of the wonderful group who have offered to give their time on Sunday, will be delighted to receive calls and place volunteers immediately in the positions where they are so desperately needed.

If a child were in need, there are very few women who would refuse, aid and comfort. There are children in need right now all over the country, in need of surgery that may be afforded only through Heart Fund aid. There are other children who need surgery that may not be available today, but which may be discovered tomorrow or next month solely through research made possible by Heart Fund donations.

Pamela Brinkley

This is no far-from-home need. Here in Torrance, 3-year-old Pamela Brinkley, the daughter of Mr. and Mrs. W. H. Brinkley, 3411 187th place, was born with an auricular defect of the heart. This defect was until a short time ago regarded as incurable.

Pamela underwent surgery on December 12 at St. John's hospital. Through the research and aid provided by the Heart Fund, Pamela was cured.

This lovely, winsome little girl is healthy and bubbling with charm today. Without the

aid of the Heart Fund, there would have been no tomorrows for her.

Some of the finest women in Torrance will unite to solicit donations which will be used to buy tomorrows for more children who would lose them without this help.

New Residents

Thousands of new residents come to Torrance every month. Many of them have wished that there were some way of meeting people here and becoming an integral part of the community.

Surely, participating in Heart Sunday provides a perfect opportunity to become acquainted and to become a definite part of the community.

Working with Mrs. Rippey on her committee are: Mesdames Grover White, E. L. Snodgrass, Parke Montague, W. A. Clinkscale, W. C. Moyer, and R. J. Rogers.

On Mrs. Laughon's committee are: Mrs. J. E. Stewart, Mrs. R. J. Triplett, and Mrs. C. B. Wiley.
