TRAFFIC STOPPERS!

EAT ANYTHING WITH FALSE TEETH!

If you have trouble with plates that slip, rock, cause sore gums — try Brimms Plasti-Liner. One application makes plates fit snugly without powder or paste, because Brimms Plasti-Liner hardens permanently to your plate. Relines and retins loose plates in a way no powder or paste can do. No need to pass up favorite foods. With plates held firmly by Plasti-Liner, YOU CAN EAT ANYTHING! Simply lay safe strip of Plasti-Liner on troublesome upper or lower. Bite and it molds perfectly. Easy to use, tasteless, odorless, harmless to you and your plates. Removable as directed. Money back if not completely satisfied.
