

Margaret Culliman, 21914 Denker ave.; Kurt McMillen, 1608 West 204th st.; and Adrienne Sidwell, 2405 "F" Torrance blvd., were among over 800 high school and junior college students to visit the University of Redlands for the annual University Day festivities held on the Redlands campus recently.

Mr. and Mrs. Margarito Martinez, of 1111 1/2 W. 255th St., announce the birth of a daughter, Cynthia Marie, weighing 6 pounds and 15 1/2 ounces.

## Seaside PTA Life Memberships Awarded To Mrs. Janice Shaw and Lloyd Jones

Highlight of Seaside PTA Founder's Day was the presentation of the two annual Life Membership awards to Mrs. Janice Shaw, the school secretary, and to Lloyd Jones, Seaside principal. The awards were in the form of pins. Seven other past recipients were honored with corsages and buttonieres. They were: Mrs. Byron Johnson, Mr. and Mrs. G. H. Miller, Clyde Beck, Earl Eckert, the former principal; William Morris, and Robert Fulton.

Past-presidents honored with corsages were: Mrs. P. O. Roettger, Mrs. J. Edmond, Mrs.

Robert Parke, Mrs. E. C. Welliver, and present president, Mrs. W. D. French.

The character and spiritual chairman, Reverend Richard Miller presented a talk on the "Siamese Twins." He referred to the two personalities within each man and the problems arising in learning to live with ones self.

E. R. Walker and R. F. Evans, depicting the elder National Congress of PTA and the youthful local association in its continuous state of growing, with accompanying problems.

Intermediate Girl Scout Troop 1155 led the Pledge of Allegiance. The Los Cenciernes group presented a varied program of vocal selections.

THE WONDERFUL comfort of an unlined shoe is now available for the new season in the latest fashion, for town and country wear. Light, simple and unadorned.

### Sleek, Low Lines Lead Style Trend

There's a new air of elegance about men's fashions this spring. It's reflected in their hats, their clothes, and particularly in the new shoe fashions.

The low-line shoe with the Continental air is the correct accessory fashion for the new town suit silhouette — which shows the modified natural line with narrow lapels, three-button fastening and slightly squared shoulders.

The popularity of the U and Wing Tip shoe is another indication of the trend, as is the trend toward the modified low-cut in three, four and five-eyelet shoes for city wear.

The slip-on, now a basic in many men's shoe wardrobes, is definitely styling up for the spring and summer season.

**More Fabrics Used**  
Increased use of fabrics such as silk shantung are noticed. Fabric inserts are closely coordinated with leather trim, as in a wing-tip model of black polished leather with insert of grey silk shantung, or a crossed strap treatment in black leather over an insert of black faille.

For business wear the slip-on is losing a little ground to the more conventional oxford types on slimmer lines and lighter, more flexible construction, except for the younger men.

SMART as dad's are the new black gore tassel loafers for men very young in years. In glove-soft leathers.

### Little Feet Gain Better Fit, Fashion

The great changes which have taken place in shoes for grown-ups during the last few seasons are now clearly reflected in children's shoe fashions for spring.

It is going to make a child's life a happier one. The old theory was that the heavier the shoe, the longer it would last and the more economical it was.

Not so any longer. In all price ranges, the new shoes for children aim for ease of the foot.

Boys' shoes ape the men's in more use of ventilated leathers and meshes, lower cut, and two-tone effects. The very popular tassel moc is giving place to simpler treatments with higher vamps in Continental style.

**They Follow Dad**  
As in patterns, the color story shows much more variety this year. In picking new shoes for spring and summer, there's lots to choose from.

Boys, even little boys, like their fathers go for black for dress wear. Then come browns and tans and cordovan shades, plus new very light browns and beiges, often in buffed leather for casual and play wear.

Little girls have a wide choice. In addition to the basic spring colors, there is a whole range of clear bright luscious fruit and flower pastels in leathers and fabrics for wear with their prettiest summer frocks.

Mr. and Mrs. Carl T. Newberg, of 728 W. 214th St., announce the birth of a son, Jeffrey Mark, weighing 8 pounds and 15 ounces.

Ed Wheeler of Redondo Beach, Jack Erdley, John Jordan and Harry Harwood of Torrance, and Charles F. Smith of Lawndale.

The four scheduled speakers gave fund raising talks for the 1956 YMCA campaign, which were tape recorded by Scott Albright of National Supply, to be turned over to the YMCA campaign chairman.

### Speech Finals Held For Toastmasters

The wives of the Torrance Toastmasters had the opportunity of meeting with their Toastmaster husbands recently. The occasion was the competition finals to determine the person who will represent the club in the forthcoming speech contest between the six clubs in this area.

Competing Tuesday evening were Bill G. S. Evans, 1229 Beech street; Richard T. Barrett, 22913 Kathryn ave; and Kenneth Anderson 23829 Eashel man ave., all of Torrance.

The dinner meeting was held at the Smith Bros. Fish Shanty Restaurant on 101 Highway in Waleria, at 7 p.m., with Joe Hencel of Harbor City presiding as the toastmaster of the evening.

The club boasts five new members this month including

### Scouts of Waleria Join for Banquet in Civic Auditorium

Scouts of Waleria, including Pack 240C, Troop 240 and Pack 371C, shared the results of their combined efforts at the recent annual Blue and Bold Dinner commemorating the 46th Anniversary of Scouting, held at the Torrance civic auditorium.

The boys, their families, and guests including Mayor and Mrs. Albert Isen and some professional scouters, were served a potluck dinner with five large, appropriately-decorated anniversary cakes as the dessert.

The tables which had been decorated by each den mother and her boys carried out the Blue and Gold theme of the dinner.

Troop 240 led the Call to Colors, and the invocation was given by Reverend Gene Gehres of the Waleria Methodist church. Songs were led by Dave Brown of the Order of the Arrow, and Lee Kendall was master of ceremonies.

Guest speaker was Paul "Torchy" Dunn, Scout executive, who gave an interesting talk of scouting and the important part the boys themselves play in it.

Highlight of the evening was a series of colorful Indian

dances performed skillfully by five members of the Order of the Arrow.

Harry Nyland, district Scout commissioner, presented the charters of both Troop 240 and Pack 240C to Jack Brown, president of the Waleria Business Men's club which sponsors these two groups. He in turn presented the charters to Bill Read, Scoutmaster, and Bill Addington, Cubmaster.

Pack 371C had a special presentation of a Cub Scout statuette to their retiring cubmaster, Robert Schiffer, at which time the new Cubmaster, Robert Trimble, was introduced.

The benediction was given by Charles Vosper, Pack Chaplain of 240C, followed by the closing flag ceremony by Troop 240.

Four boys were invested in the Scout Troop and five new cub scouts joined Pack 240C. A large number of awards were presented to boys from the three groups.

## Cub Pack 228 Holds Annual Award Dinner

Awards were made to many members of Cub Scout Pack 228 at a recently monthly meeting, at 186th Street school.

Wolf badges were presented to Lloyd Painter, Steve Sogge, Keith Benda, Harvey Cells, Glen Stearman, Michael Welsler, Ronald Powell, Jerry Stith, and Jerry Shelton.

Phillip Mote received the wolf

and bear badge. Mike Patton received the bear badge.

Jerry Moore, John West, Dennis Welsler, Floyd Phillips, and Michael Welsler received denner stripes. Robert Allen received the gold arrow to the wolf badge; and Rickey Bornfleth, Robert Hunt, Timmy Gukes, and Jamie Smith received the silver arrow to the

wolf badge. Jay Bornfleth presented the Webelos badge and a 3-year pin.

Mike McMillan and Jay Bornfleth graduated into the Boy Scouts and were received by a group of scouts from Troop 725. Sogge, committee chairman of troop 725, presented the boys with their graduation certificate and their scout neck-

erchiefs.

Cubmaster Bill Turrentine led the salute to the flag. There were 82 cubs and parents present, and Dens 1 and 2 led for the attendance award.

Mrs. Evans led the group in songs, and Miss Buckley showed a colored film entitled "Alaskan Big Game Hunt."

The theme for the month was "Pirates," and all Dens took part in a short program on this theme.

Ford V-8's outsell by 2 to 1 all other Truck V-8's combined

## It takes a FORD to squeeze maximum power out of today's gasoline

Only Ford gives you modern Short Stroke power—V-8 or Six—in every truck! Short Stroke design means up to 53% more power with no increase in engine size

**Prefer a SIX?**  
Ford is the only manufacturer who gives you a Short Stroke Six in the light-duty field. It's the most modern, most efficient Six because it gives you more horsepower per cubic inch than any other Six. You get integral valve guides, free-turn valves and a deep-skirt crankcase for longer, smoother engine operation.  
Shown above is the biggest Pickup box in the 1/2-ton field—a new 8-ft. box, available on the Ford Pickup at low extra cost.

Just one kind of engine can give you all the mileage built into today's gas. And that's a modern Short Stroke engine—the new kind of truck power pioneered by Ford.  
Short Stroke engines develop power that used to be possible only with much bigger engines. And Short Stroke engines do it on less gas! The shorter stroke means less piston travel, which means less friction to waste power and gas, and less wear, too. You also get more usable power to work for you at the rear wheels!  
New Ford Trucks save you money when you buy! Ford is America's lowest-priced line of V-8 trucks.\* And right now your Ford Dealer is offering attractive terms for spring. Call him and find out what a sweet deal you can get!  
\*Based on a comparison of suggested list prices.

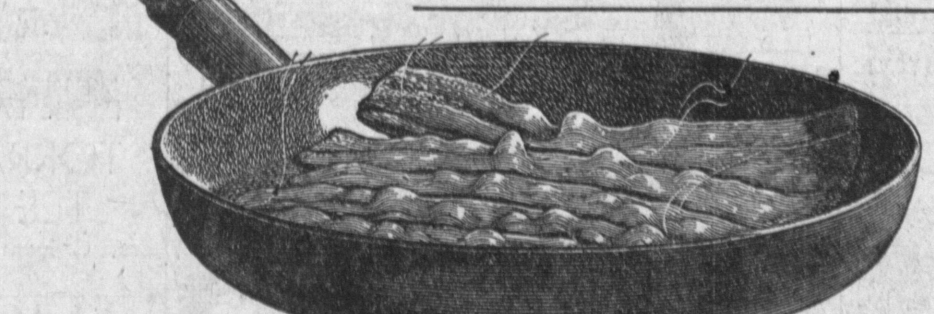

## FORD TRUCKS

Ford Trucks Last Longer! Certified by independent insurance actuaries for the ninth consecutive year! Studies of over 10,000,000 current license registrations show that Ford Trucks last up to 9.9% longer than any of the other 4 leading truck makes!

## GREATEST ADVANCE IN COOKING!

YOU SET ANY PAN...

ON THIS GAS RANGE BURNER... AND

TURN THIS CONTROL TO THE EXACT DEGREE OF HEAT YOU NEED

New Automatic GAS Range shown. O'KEEFE & MERRITT. Other makes featuring Top Burner Temperature Control are: Caloric, Florence, Gaffers & Sattler, Hardwick, Magic Chef, Roper, Wedgewood, Western-Holly.

Here's how automatic top burner temperature control helps you cook every food perfectly—every time:

TOP BURNER TEMPERATURE CONTROL is a completely automatic feature which works like your oven heat control. You simply dial exact heat specified on chart.

AS THE SENSING ELEMENT in center of burner feels the food in your pan reaching the selected temperature, it automatically and gradually turns Gas down.

THIS MEANS that your food never cooks faster or slower than it should. Every pan you own becomes fully automatic. See a demonstration soon!
