North High Baseball

There has been great interest and response to the Saturday baseball program now being held at North high school diamond.

The Torrance Recreation department, sponsor of the program, urges all boys who are interested in the ball program to attend Del Nuzum, local varsity baseball coach, has charge of the training program.

After two Saturdays of play, 42 boys have signed up making it necessary to divide the youngsters into two groups. High school age boys will take over the field from 10 to 12:30 a.m. and the elementary age group from 1:30 to 3:30.

The primary objectives of the program are to teach the boys the basic fundamentals of baseball and to provide them with an opportunity to play under game situations. All boys that come out will get a chance to participate. A 4-team league is planned in conjunction with the Junior American Legion for the Summer.
