## Younger the Cook, Better The Broth?

The public is welcome to a most unusual breakfast on Sunday, March 25, at the Lomita Masonic Temple, 25725 Bland Place, the Lomita DeMolays announced.

The breakfast to be held from 8 a.m. until noon, will be cooked and served entirely by the young men of the DeMolay club.

This is the project of Leroy Griffith, senior counselor.

"Members of the Mother's Circle and the Advisory Council will be on hand in case we need them," Griffith said, "but we don't expect any problems. Really the only difficult job is to find someone who can keep the hashed brown potatoes coming along fast enough, and we think we've got that all set."

Among the Lomita DeMolays serving as chefs and waiters will be: Dale Howard, Dick Jenkin, Steve Saracco, Gordon Getz, Bob Bates, and Marty Anderson.

Others will be: Dick Faulkner, Bill Wetzel, Fred Eggleston, and Buddy Lofton.

The menu will include, eggs, bacon, rolls, the fast moving hashed brown potatoes, and "all the coffee anyone can drink," Griffith said.

## View Care of Marine Fish

R. F. Wiggins will be the guest speaker at the next meeting of the Harbor Aquarium society to be held Monday, March 26, 7:30 p.m., at the auditorium of the Gardena Community center, 1651 Market street, Gardena.

He will speak on the subject of "Marine Fish, Their Care and Habits."

A film, "Battling Bass," will be shown.

## Hills Civic Group Plans Hunt

The Torrance Hills Civic association held its bi-monthly meeting at Hillside school. Plans were made for an Easter egg hunt for the children of the members and the residents of the general area.

A committee was assigned, headed by the entertainment chairman, Vernal Peltz. Committee members include Mrs. Dale Cooper, H. O. Anderson, Ed Bentley, Mrs. Pat Smith, Mrs. M. Frislie, Mrs. Helen Smith and Mrs. M. Haptonstahl.

A grievance about the drainage ditch problem on Rolling Hills road was brought up by one of the members, and the board was requested to contact the responsible civic agencies to correct the situation.

Before the meeting closed Tom Abrams, president, reaffirmed the association's position as a non-political, non-profit or-

ganization, and stated that the organization endorses no candidates in present local election.

Abrams went on to say, "Strict adherence to the policy of 'no political participation' is necessary particularly since some of the candidates for office have misled the people into believing that the association has endorsed them."

"This, of course, is not true; endorsement of any candidate to a political office would be a direct violation of the association's articles of incorporation and by-laws," he concluded.

THERE ARE no trifles in the moral universe of God. Speak but one true word today and it shall go ringing on through the ages.—W. M. Pushon.
