HARVEST WORKERS NEEDED

"Celery harvest is now upon us once again," Eddie Walther, manager of the Gardena Farm Labor Office, 16407 S. New Hampshire Ave., Gardena, stated this week.

The Gardena Farm Labor Office services the Southwest Section of Los Angeles county.

The Gardena Firm Labor Office services the Southwest Section of Los Angeles county.

Harvesting of this 2000 acres of celery crops starts this week with a shortage of stoop laborers. In harvesting this crop there is a need for cutters, trimmers, packers and loaders. Due to the staggering of plantings there are also jobs in transplanting, hoeing and weeding.

Any man who is accustomed to stoop labor (working in a stooped position long hours at a time) may apply at this office to obtain a referral to these job openings. Some other types of farm labor may be available also that requires a different skill.
