To the People of Torrance, Lomita, Walteria, and Vicinity...  
 "If you want something for nothing this message would be a waste of your time."

To our many hundreds of past customers and to the many more we hope to be able to serve in the future... We are one of those very few dealers who admit they make a profit. We must, to be able to keep on selling quality cars with a new car dealer warranty.

Most dealers are selling these cars at cost or below—if you would be naive enough to believe it. But we believe an intelligent buyer wants an honest deal with a fair margin of profit for the seller—so he can maintain an efficient, courteous sales and service organization to better serve your transportation needs.

Sincerely,  
 —R. W. BILLINGS
