G. S. Evans, retired police sergeant, was elected temporary chairman. Also present were Ed Nobbe, North Torrance; Robert Surver, Hollywood Riviera; Rev. Hugh Percy, St. Andrews Episcopal church; and Vel Miletich, local car dealer. Also appointed to the committee were J. B. Mosley and Jim Whitmer of WALTERIA.

STORMS BY RADIO
Bolts of lightning may send out low frequency signals that travel completely around the globe. These signals may be picked up by special receiving sets half way around the world, stated officials of the Los Angeles campus of University of California.

MEMORIAL FUND
Animal husbandry memorial fund for teaching and research at Davis, a memorial to men who have played prominent roles in developing the state's livestock industry, has been established by the University of California.

WASN'T KIDDING

A service station attendant who thought a customer was kidding when he announced that this was a stick-up found out that he meant business.

Ralph Hupe, 29, of 5125 Cathan ave., Torrance, was attending a service station at 9101 S. Vermont early Sunday morning when a man followed him to the rear of the office building.

"This is a stick-up," the suspect said, pointing a gun at him. Hupe asked if he was kidding. The suspect cocked the revolver and told Hupe to lie down on the ground with his hands behind him. The bandit then taped Hupe's hands behind him, took the key to the cash box near the pumps, and robbed the station of \$27.
