### Seniors Urged To File College Applications

Graduating seniors planning to enter one of the seven junior colleges in the Los Angeles City School System were urged to file applications immediately by Assistant Superintendent Edith Clark, junior college branch chief.

"It is important that high school seniors file admission applications for the fall semester as early as possible, since students will be registered in order of receipt of application," Miss Clark stated.

Colleges operated by the Los Angeles City School System are Los Angeles City College, 855 N. Vermont ave.; East Los Angeles Junior college, 5357 E. Brooklyn ave.; Junior College of Business, 1601 S. Olive st.; Harbor Junior college, 1111 Figueroa pl., Wilmington; Valley Junior college, 13161 Burbank blvd., Van Nuys; Pierce Junior college, 6201 Winnetka ave., Woodland Hills; and Trade-Technical Junior college, 1646 S. Olive st.

Aptitude tests required of all entering students will be administered at Los Angeles City College and Junior College of Business during and following registration.

Harbor Junior college will hold its test twice weekly—1 p.m. on Tuesday and 9:30 a.m. Wednesday—from July 2 through September 12.

### CITY OF HOPE MONTH

June has been officially designated "City of Hope Month." Many activities are in the planning stage for City of Hope Month, which will enlist the services of more than 10,000 volunteers, Victor M. Carter, president of the Medical Center announced. He received the official proclamation from the mayor.

Kickoff of the month will be a giant door-to-door solicitation on "Hope Sunday," June 3, when captains and area chairmen covering the entire county have been named, "but additional volunteers are certainly welcome," Carter declared. A call to the City of Hope offices, Madison 6-4611, will enroll the volunteer in his or her neighborhood drive.
