Poppy Day Will Honor Veterans

Tomorrow will be Poppy Day in Torrance and throughout much of the nation. The day will see millions of Americans wearing bright red poppies in tribute to those who have given their lives in defense of the nation.

The little flowers of remembrance will be distributed on the streets throughout the day by volunteer "flower girls" from the American Legion Auxiliary and cooperating organizations. Poppy Day activities here will start early tomorrow morning when the corps of volunteers organized by Mrs. Barbara Crew, the Auxiliary's Poppy chairman, will be out with their baskets of poppies to greet citizens on their way to work. They will continue to work

throughout the day, covering outlying business centers as well as the downtown district. Before the day ends, they hope to see the little red flower of remembrance glowing on every lapel. Contributions for the Auxiliary's work for disabled veterans and needy children of veterans will be received by the Poppy Day volunteers.

Centennial high school's dance band along with some fine entertainers visited the campus last Thursday and presented a very good quad call.

They presented their chorus line, which is opening soon at the Moulin Rouge, and a few members of the girls' judo class displayed some of their tricks.

Their band and all of the entertainment was enjoyed by the entire student body and all are looking forward to their next visit.

Summer school classes will be offered at North High this summer. This is a good way to make up credits or to accumulate some extra credits. Among the classes to be offered will be basic typing, general science, general math, algebra, instrumental music, and driver's education.

These courses will be two hours long apiece, will be held for six weeks, and students will receive five credits for each class.

Commencement will be held for the seniors on the quad at 8:00 Thursday, June 14th. Providing the music for this event will be the Saxon Band. Baccalaureate will be held for the seniors at the Torrance high auditorium on Sunday, June 10. Speaker for this function will be Rev. Hugh Percy.

Next September will find North high on staggered sessions with bus students, athletes, seniors, and student council members going to school from first through sixth period and the students who walk going from second through seventh period. There will, also be two separate lunch hours, and some new classes added.

What Saxon teacher received a set of Mickey Mouse ears from an appreciative student?

There seems to be a lot of new twosomes on campus. Here are a few of them:

Paul Campbell and Sylvia Regula, Roger Snell and Marilyn Brier, Fred Lee and Dinah Jones, Bob Adams and Norma Mercer, Marti Mayo and Dale Hardmen, and Bob Walker and Julia Pace.

Jackie Allen became a Mrs. last week and Linda Kelly took the big leap last Saturday. What's with Irene Binford? That girl gets around too fast for me to keep track.

This is a reminder to Steve Chase and Al Legus not to read this section of my column as they cannot take gossip in even small doses.
