FABULOUS NEW LUXURY!

**3 or 4 Bedrooms, 2 Baths, Family Room —
Built-in Emerson TV, Western Holly Oven and
Range, "Freedom" Kitchen and much more!**

BUENA PARK — Richard H. Doremus, President of Exhibit Homes Inc., today announced the formal Grand Opening of Park South's Award-Winning 3rd unit.

This new \$1,500,000 luxury-planned community just off the fast Santa Ana Freeway in close-in Buena Park, offers both vets and non-vets their choice of 320 brand new quality-built, feature-packed homes with these outstanding advantages:

Location with the promise of constantly-rising values in the fastest-growing residential area in the world...

The most complete combination of luxury features and quality appointments, including built-in Western Holly Range and eye-level oven. Dishmaster, forced-air heating, built-in Emerson 21" TV, large fireplace, sliding glass doors, Dyna Vent hood over range and more...

Selection among 13 beautiful and highly diversified exterior stylings. Four architecturally conceived, superbly convenient floor plans to choose from. A selection of decorator's co-ordinated color schemes from which to choose.

Convenience of fully established community facilities, including schools, churches, shopping centers, recreational areas, and easy access to key industrial districts for certainty of stable, year-round employment. Adjacent to freeways and transportation arteries.
