

Youngsters With Talent Sought Here

A call for talent was issued this week by the Torrance Recreation Department in order to give youngsters of all ages a chance to perform at the local park, and in several talent shows at the auditorium this summer.

Encouraging of local talent will be an important part of the Recreational summer program, and will be under the direction of Louis Bereskin, activities director.

The senior group will form a troupe to be featured as "Stars over Torrance" and will consist of teenage talent.

The junior group will be drawn from children of elementary school age.

Anyone wishing to register in either of these groups may contact Bereskin at the Torrance Recreation office, 1347 El Prado or by calling FA. 8-4108. First auditions will be held on Friday, June 22 and June 29 at 1:30 p.m.
