

### New School Needs Help This Summer

Need for volunteers to help sustain summer projects at 223rd Street school was told today by Mrs. David P. Goolsby, president of the newly organized PTA.

Mrs. Goolsby said a planned program of supervised recreation is being offered at 223rd Street school from 12:30 to 5:30 p.m., Monday through Friday, from June 18 to August 17.

This program will be under the leadership of Donald G. Heath, summer recreation director, and will include a well-balanced variety of activities such as crafts, storytelling, playacting, movies, singing games, folk, round, and square dancing, music, quiet and active games, bus trips, playdays and special activities.

In order to make this rich program a success, the assistance of some mothers or other interested persons who will serve as volunteer leaders is needed.

Parents who can give one or two hours of their time, one day a week for a period of approximately three weeks will be a welcome addition to the summer staff, Mrs. Vinson said. It is not necessary to have a special talent to be a volunteer leader, she assured. The director of the playground and other qualified employees will furnish all the necessary aids.

Those who are interested in learning about the details of the summer program and the use of parent-volunteer leaders may call Mrs. Vinson at FA. 8-4525 or Mrs. Goolsby at FA. 8-5161.
