

OSCAR MAPLES GIGANTIC

Midsummer "Trade Down" Sale

Dear Friends: We have had many telephone calls from owners who would like to dispose of their late model cars due to financial distress, such as the present steel strike, illness, or just plain over-buying (we all do it at one time or another.) So we have a plan to sell you a less expensive car with no more payments or smaller payments, to enable you to keep your credit standing A-1. Just come into either of our giant locations, tell us your problem, and we will make every effort to help you. This also means you owners who owe more on your present car than its market value.

(Signed) Sincerely,
-R. W. BILLINGS (Used Car Mgr.)
