TOPS Wage 'Battle of The Bulge'

The TOPS Silhouettes (take off pounds sensibly) Club has been able to arrange for weekly meetings at the Normandale playground, 22400 South Hall-dale avenue, Torrance, in one of the clubrooms.

The meeting at the new address is scheduled for Thursday afternoon at 1 p.m. to 3 p.m. Any woman interested in losing weight by this group therapy is invited to attend.

TOPS is a nationwide, non-profit organization whose membership is made up of women determined to lose weight, in amounts of 10 to more than 150 pounds, and keep that weight off. Formed on the same theory and structural lines of Alcoholics Anonymous, the group provides the incentive to those individuals who lack the willpower to fight obesity alone.

Two-tone Ensembles Featured In Fall Back-to-School Styles

With school only three weeks away — it's high time that we start planning an early fall wardrobe for our young'uns. Styles galore are being shown for the little tot. Fabrics that will wash beautifully and wear well.

Calico prints give a look of 'peasantry' to long-sleeved dresses... tucked modestly highlights dark background floral prints. Tyrolean styled quilted jumpers and skirts, velveteen vests and bodice fronts give a "Heidi" look to separates.

At J. J. Newberry's located on Sartori avenue, have the sweetest little numbers and just as reasonable as you could find anywhere. Any young miss is a charmer in the classroom in this Cohama Townpar, (see picture) full-skirted, vestee front, and make believe sew-in blouse. The vestee front has three little buttons sewn on each side and a touch of the artist bow just beneath the collar. Back buttons to the waist and they meet the little girl's big bow. Skirt is a complete circle, complete and full enough for her to wear the fullest of her petticoats, she'll be the sweetheart of her class.

This little number is a twoply cotton of chromspun material, completely washable and shrinkage controlled. Washing after washing this dress will retain its beauty and original shape for long lasting wear.

Comes in color combinations such as: red and pink, gray and bright turquoise and warm brown and pink. Sizes are from 7-14 years.

A soft-ribbed cardigan type sweater is almost a must for the little girls wardrobe—for those after school hours when the weather starts to chill, Newberry's have them in bright colors or soft pastel shades. These sweaters will keep their shape as they are made of 100 per cent Du Pont Nylon.

THE DENTIST SAYS:

ERNEST J. TARR, D.D.S.

DENTAL CARE AVAILABLE ON CREDIT

QUESTION—
"I need quite a bit of dental work done, but cannot afford to pay right now. Do you have a plan whereby I can get my work done now and pay for it later?"—writes Mrs. R. D. of Harbor City.

ANSWER—
Yes, my office is set up to give credit to all who desire it. When you first come into the office, I do a complete dental examination on you. Then I give you an exact estimate of what the work will cost. Once we know the fee, we can arrange for you to buy on easy monthly terms, or weekly if you prefer. No money down is necessary, 6 weeks to make the first payment, and as long as 12 to 18 months to pay.

All newcomers to Torrance area or those who don't as yet have their dental work completed, can have their dental work done immediately under our new credit plan.

Pensioners may come in and receive a written estimate of what their dental work will cost. When this estimate is approved,

their work is started immediately and they make their first payment when they receive their additional funds from the State.

If you have any questions concerning dental problems, you want answered in this column, write to:
