**AIR CONTROL**  
by  
**Porta Cooler**

Makes Cool, Healthful Air  
Enjoy refreshing, cool air near Porta Cooler produces it quickly... effectively.

Conditions Air Everywhere  
Porta Cooler is a superior blower type EVAPORATIVE COOLER. You can also use it as an AIR CONDITIONER, EXHAUST FAN or HUMIDIFIER. Run it with water or dry, no need to disconnect pump or make any other change.

Sturdy... Lightweight and COMPLETELY PORTABLE  
Move it from place to place... It's light and easily portable. Porta Cooler may be used almost anywhere - in a room, office, motel, trailer or ship. It's wonderful for traveling vacations.

Requires No Installation  
Simply plug it into an electrical outlet and turn on the switch.

Porta Cooler's quiet, efficient operation will never disturb sleep, work or conversation. Porta Cooler is finished in new decorator colors - Charcoal Blue-Tan and Sand-Tan with attractive Web-Lace overtop.
