

When they see the low cost of a cartful of fine foods, first-time shoppers often exclaim "ALL THIS —and SAVINGS TOO!" . . . or similar happy expressions of wonderment over the economy of buying at FOODS CO. If you haven't had this pleasant experience—enjoy it this weekend. For it is a fact—you get more for your money shopping here because you get low prices by the cartful—not by the handfull. Come see for yourself—more low prices mean lower food bills for you.
