

WOMEN'S CLUB SETS MEETING

The Woman's Club of Key-stone are having the first meeting of the year, Wednesday, October 10, with the new President, Mrs. Wm. E. Roller, presiding. The meeting will come to order at 1 p.m.

The speaker of the day will be Mrs. C. Albert Smith, past president of the Junior Woman's club of Torrance. Her talk will be on: "What Federation means to me in my Community."

We will then have a color picture of the Lake George expedition, depicting the summer break-up of the giant Knik Glacier, north of Anchorage, Alaska.

The executive board will act as hostesses for the refresh-

ments to be served to many invited guest and regular members.

LOOKING FOR TROOP LEADERS

Girl Scout orientation for parents and those interested in becoming troop leaders will be held at Seaside School auditorium, Thursday evening, September 27 from 7 to 10 p.m.

The orientation will include the philosophy, history, organization and financing of the Girl Scout movement. Mrs. Helen English and Mrs. Joan Renfro, volunteer trainers, will conduct the classes.

Membership Drive Held By Center

Close to 200 people gathered at the membership social given by the Gardena Valley Jewish center, 14725 South Gramercy place, Gardena.

"The results of our membership drive and social were most gratifying," stated membership chairman, Mildred Halkin and Edith Soragshesky, "new members have come in from Gardena, Torrance, and surrounding areas, and more families are on the verge of joining."

The teenage group of Gardena Valley Jewish center will hold a "sock-hop" on Saturday, September 29, at 7:30 p.m., at the center building. There will be a nominal admission fee for this dance.

Sisterhood Schedules 'Tea Party'

The chrysanthemum, our most prominent fall flower, will set the theme for the Temple Menorah Sisterhood's annual fall membership tea to be held on Tuesday, October 2, 8 p.m. at 112 1/2 North Catalina, Redondo Beach.

An invitation to attend the "Chrysanthemum Tea" is being extended to all members of Sisterhood, newcomers in the area and other interested women. A surprise program is being planned for the entertainment of members and guests.

Mrs. Albert Kurz, membership chairman, is being assisted with plans for the tea; food, entertainment, decorations and invitations by the following women: Mmes. David Levine, John Terre, George Lewison, Mal Richland, Ben Kaufman, Milton Feinberg, James Berendt and Bernard Rive.

For further information, it is requested that interested persons write to Mrs. Kurz, 414 Calle de Felipe, Torrance.

Couple Celebrate Golden Anniversary

Mr. and Mrs. C. M. Bakke celebrated their Golden Wedding anniversary in a setting which consisted of mammoth bouquets of Bells of Ireland and Magnolia leaves sprayed with gold. They wore a corsage and boutonniere of gardenias speckled with gold.

The anniversary party which was held at the Torrance Seventh-day Adventist church reception hall, was a complete surprise to both of them.

They received a gift in a gold-wrapped box containing a cassette filled with 50 one-dollar bills to be used for a platform rocker of their choice.

Mr. and Mrs. Bakke came to the United States from their native Norway on their honeymoon 50 years ago. They first settled in Michigan and then moved to Washington state, where C. Bakke was connected with the E. I. Dupont co., for 32 years.

They came to California nine years ago, after retiring, and for the last two years have been residing in Torrance.

The program included a story of their life together, written in poetry form, read by Mrs. Marjorie Siple. Al Bakke, from Oakland, spoke words of appreciation to his parents.

"I Love Thee" by Grieg, favorite song and composer of Mr. and Mrs. Bakke, was sung by Mrs. Jean Ketter, their daughter, who also resides in Torrance. Vocal solo "Put on Your

INNES WILL FEATURE SPRING-O-LATOR

Frances Wheeler, manager of the Innes Shoe Store in Gardena, bubbled with enthusiasm, at a recent interview on new fall shoe styles.

"The trend is to fashionable, comfortable footwear," she said. "Many of this season's styles are suitable, not only for September's hot weather wear, but will continue to look elegant and smart throughout the fall and winter."

"For example, look at our La Girona spring-olator line. The

woman who buys these shoes solves several problems. In vinylite and suede, patent or all suede, the spring-o-lator is unusually versatile for dress-up or casual wear.

"The well-dressed woman has always been aware of the importance of well groomed feet. Neat, feminine, comfortable design has now made it possible for more women to find styles and fabrics to suit every costume need," she concluded.

ONE OF the difficult tasks in this world is to convince a woman that even a bargain costs money.—Ed Howe
