Why be handicapped with that aggravating "middle distance blur" that most people experience with bifocals? If you have difficulty in reading merchandise labels in stores, in distinguishing book titles in the library, in seeing all the playing cards on the table, etc., you'll marvel at the "new sight" that CONTINUOUS VISION LENSES will bring you! These are

without head bobbing and neck craning. Let us demonstrate—without obligation—why you will feel better and work better when you change to CONTINUOUS VISION LENSES. Not expensive; easy terms. Come in soon!
