Hospital Bill Given Approval

Unanimous endorsement of Proposition B for expansion of County General Hospital facilities was voted by the Harbor Area Welfare Planning Council at a meeting presided over by Mrs. Virginia McQuarry.

Proposition B calls for the erection of permanent hospital buildings to replace antiquated army barracks now in use at the Harbor General hospital.

Last year the hospital served 13,071 bed patients and 113,000 outpatients in the hospital clinics, according to Sam Levy, Chairman of the Citizens Committee to pass the \$15,400,000 bond issue.

The Board of Directors of the planning council also urges support of civic, service and philanthropic organizations for passage of Proposition B.

The council suggested all organizations support a volunteer orientation program, with prospective volunteers interested in donating to services to aid the health, welfare and recreation agencies in the Harbor area to attend a meeting at 10 a.m., October 25, at Harbor General hospital.
