

# SAND CO. REPORTS TO CITY

Torrance Sand and Gravel Products co., which has had some rocky encounters with homeowners and city officials, made its first quarterly report to the City Council to show compliance with terms agreed upon.

The firm, located at 23701 Crenshaw Blvd., indicated that:

- 1) A total of 500 additional trees have been planted along the completed portion of the bank at the northerly property line which now has a double row of trees, averaging seven feet in height, extending 1 1/2

major length of this line.

- 2) Additional ice plant is being planted continuously on the west end of the bank as available manpower permits.
- 3) The approach entrance to the plant has been widened, providing a safer and more attractive entrance. Surfacing will follow.
- 4) A concrete surface has been poured inside the county food control ditch at the entrance of the property to prevent erosion.
- 5) The firm hopes to donate a site for a new Little League ball park at the west end of the property, adjacent to the Boy Scout building.
