

City Official Discusses Oil Ordinances

George Powell, of the City Planning Commission, was a guest at the Howard Wood PTA. He gave a report on the

ordinances effecting 187 oil wells in the South Torrance area, and he explained the problems existing and the cooperation received from local oil men.

"The cost of maintenance and adhering to the city ordinances impedes the immediate solution of all problems," he said. Powell then introduced J. A. Beasley, who works on the Land Use problems in Torrance. He asked for the safety chairman of the group to contact the office about any hazards to the children.

Den 4 of Cub Pack 211C held the flag ceremony and Mrs.

Nyle Lowrence gave the inspirational.

Two more paper drives on December 12 and March 13 were sanctioned by the association. The group also voted to sponsor a scout troop and an explorer unit.

Honorary life membership chairman, Mrs. Hal La Mour, gave a brief history of the honorary life award and then requested a donation to purchase two awards. Her committee members selected are Mmes. Don Clark, Lenora Hester, Custer Hawley and Gordon Jones.

Attendance banners were awarded to Miss Molly Mar-

shall and Mr. H. Brier. Mrs. Dickson announced the Christmas program, December 13, in which the student body will participate.

Sixth grade mothers who assisted with refreshments were Mmes. D. B. Houston, K. M.

New All-American Gladiolus Announced

By LEWIS LORING
The new All American gladiolus for 1957 has been announced. Last year the first two of these All Americans were introduced and widely acclaimed all over the nation.

This year there are two more beautiful winners, and it will be welcome news too that they will be offered at about half the price that the winners were last year.

The two winners for 1957 are Maytime is a gracefully ruffled deep pure pink flowered type, with a contrasting large white throat, which brings to this variety a freshness seldom seen in a gladiolus.
This variety is easy to grow

and reaches a height of 5 1/2 feet, so give it plenty of room. When in gorgeous full bloom there will be over 20 flowers open at once.

Caribbean is the first distinctly ruffled blue gladiolus. The delicate blue florets of this exciting novelty present themselves in a formal double row placement of extremely long flower-heads.

The unusual coloring of blue violet petals with a deep violet throat and small cream spur make this glad a very popular winner.

Check with your dealer now for he also has many other wonderful varieties from which to choose—any of which will be an asset to your garden.
