

Wrestling Champions Named Here

Seven campus wrestling champions were named today at El Camino college, following a recent Intramural mat tourney in which the grapplers matched skill and muscle.

Supervised by Arthur Deleal, math and science instructor at the college, the intramural program paves the way for hundreds of men and women students to compete in the major sport, as well as in such additional sport activities as ping pong, badminton, wrestling and swimming.

With all male students except members of the college wrestling team eligible, Bob Sweeley

of Inglewood nabbed heavyweight honors in the grapple-fest.

Other winners were Bill Nixt of Inglewood 130; Bob Anderson, Hawthorne, 147; Milton Loy, Redondo Beach; Bob Adams, Inglewood, 167; Dee Bogard, Inglewood, 177; and Martin O'Donnell, Inglewood, 191.

Next on the Intramural tourney agenda is a swim meet to be held in the college pools.

Family Contributes 750 Toys For Tots

An unprecedented surprise was handed to members of the 5th Communications Company, U. S. Marine Corps Reserve, when they answered a call to pick up toys for the local "Toys for Tots" campaign.

Upon reaching the residence of Mr. and Mrs. Robert Smith, 3507 227th place, Torrance, they were greeted with 750 neatly packaged toys. The toys proved a great help in getting the "Toys for Tots" campaign rolling in the Torrance area.

Residents and businessmen of

Torrance are urged to contribute toys that are new or in good condition to this campaign. For their convenience, barrels have been placed in all Shell service stations and downtown theaters for the deposit of toys.

For pickup service of large or bulky toys, the marines may be called at Terminal 20869.

Toys are collected for distribution to children of less fortunate families at Christmas-time.
