

**Expectant Mother Classes to Begin Here January 3**

Mid-winter classes for expectant mothers will start in the Torrance Health district January 3, 1 p.m., at the Torrance Health center, 2300 Carson st.

"The classes in no way take the place of regular care by a qualified physician. They are an educational service of the County Health department, planned to help parents meet the physical and emotional needs of the infant and growing child," according to Dr. B. A. Kogan, district health officer.

Miss Janice E. Hopkins, public health nurse, who has conducted previous classes, will again be the instructor.
