

# DEAR EDITOR...

Art Group Formed

Editor  
Torrance Press  
Just a year ago, a brief notice in the Torrance Press, brought together a small group of people with a common interest, that resulted in the forming of the Torrance Art Group.

At this time, I would like to thank the Torrance Press for the fine coverage it has given our group's activities. We look forward to another year of art activities, and the continuation of the fine news stories the Press has given us.

Sincerely,  
(s) Vickie Feldon,  
President Torrance Art Group

## Out Of The Mouth Of Babes...

Editor  
Torrance Press  
I am a little girl eight years old. I go to church and Sunday school every Sunday.

I would like every store closed that had "Xmas" on their windows instead of "Christmas."

They forgot Christ in Christmas.

Yours in Christ,

## Q. What household servant still works for just pennies a day?

## A. Electricity

"EVEN THOUGH prices and wages have steadily gone up and up," explains Reddy Kilowatt, "a kilowatt hour of electricity costs less today than 20 years ago." (Bigger bill? That's because you're using more and living better electrically.) Small wonder electricity is your biggest bargain in modern living.
