

Look who's having a big Co

Yes, look who's selling coffee so cheap! Food Giant is selling coffee so cheap, that's who! It's part of our good neighbor policy. Our own good neighbors in the valley love it... and it doesn't exactly make the people in Brazil unhappy either. So if you're a coffee addict who wants to create a little international good-will, drop into the Market and buy a pound - you'll be happy, the Brazilians will be happy, and we won't be complaining either.
