

JEHOVAH'S WITNESSES SEND LETTER

Charging that Soviet officials "may perhaps be found fighters actually against God," a strongly worded letter of protest from officials of the Watch Tower Bible and Tract Society, legal governing body of Jehovah's Witnesses, has been sent to Premier Nikolai A. Bulganin of the USSR.

G. F. Dunham, presiding minister of the Torrance congregation of Jehovah's Witnesses, in announcing the contents of the letter, cited the wholesale arrests and mass movements of Jehovah's Witnesses to slave labor camps in Siberia.

The letter was written to accompany a composite petition that had been adopted over a period of nine months by a total of 462,936 of Jehovah's Witnesses, meeting in 199 assemblies throughout the world.

It called attention to the 7,000 Jehovah's Witnesses known to be in slave camps in the Soviet Union and, requesting their release, proposed that a delegation be permitted to proceed from the society's headquarters in Brooklyn, N.Y. to Moscow to fully acquaint the Soviet government with the true aims and purposes of Jehovah's Witnesses.

Methodists Plan Early Services

At a site in Rolling Hills, on Crest Road, which overlooks the South Bay area, the First Methodist church will hold its annual Easter Sunrise service at 5:30 a.m. A committee from the Youth Division of the Church, under the direction of Marvin Hiebert, have extended an invitation to the entire city of Torrance to participate. Those who wish to attend are asked to gather in front of the church, 1551 El Prado, at 5 a.m. All cars will then move in a caravan to the site.

Rev. Donald Shelby, associate minister of the church, will deliver the sermon "Another Presence." Music will be furnished by Misses Jane Moffatt and Delyna Smith, who will sing the traditional Spanish Easter carol, "In Joseph's Lovely Garden." Other youths who are participating are Pat King and Michael Mullen.

In case of bad weather, the service will be held in the sanctuary of the church.

A new age of automobiles begins with this car

Here Today! The FORD SKYLINER - world's only Hide-Away hardtop

Once in a long, long while a car comes along that people remember and talk about for years after its introduction.

The first model "A" Ford was such a car...
The first Ford V-8 was such a car...
The first Ford Thunderbird was such a car.

Today Ford Division is proud to announce still another car that many say is destined to become the most famous Ford of all: The Skyliner—world's only hide-away hardtop.

If you plan to buy a new Ford, or already own one, the fact that Ford created this car is important to you. For all the exhaustive research, planning and testing that went into the Skyliner is evidence of the engineering skill you get in every Ford model.

The Ford SKYLINER, the only all-steel hide-away hardtop, is a car for history.

This is an old dream of Detroit, a dream of two generations of motorists.

And today Ford has made that dream come true—in steel.

But the story behind this dream is a story of men who refused to accept "no" for an answer. In the Ford tradition they kept striving toward the goal long after others had given up the chase.

To understand this Ford spirit you must go back to 1908. That was the year

when many Detroiters smiled smugly as Henry Ford announced, "We will build a motor car for the great multitude... so low in price that no man making a good salary will be unable to own one." And they did.

Today, nearly a half century later, Ford continues to cause the "experts" to change their tune. When you see this all-steel hardtop that retracts into a convertible, you'll be seeing a car that many said would never be mass-produced. But Ford did it.

It was December 1956 - after eight years of research, planning, experimenting and testing - when Ford unveiled this masterpiece... unveiled it amid all the pomp and splendor of the New York Automobile Show.

And now this history-making car, this prototype of a whole future generation of cars, is ready for your own personal inspection in the showrooms of many Ford Dealers.

Plan to see it soon. And ask your Dealer to show you the exciting advances in all models of the new Ford line for '57.

It's the newest new kind of Ford

1. It's an all-steel hardtop with sleek Victoria styling... 2. Touch a button and presto! It's a sun-loving convertible!

COME IN TODAY... get a great deal on the new kind of FORD!
