### 2 THS SENIORS HONORED BY CORPORATION

Two seniors at Torrance High school have been commended by the National Merit Scholarship corporation for distinguished performance in its nationwide search for students of unusual ability, according to Principal Carl R. Ahee.

The students are: Laurence L. George and William C. Stroh.

They have also been named California state runners-up in the 1957 Merit Scholarship competition.

"The seniors honored today are among the top one or two per cent in ability in the state," according to John M. Stalaker, President of NMSC. "While they did not quite reach the finals of the 1957 Merit Scholarship competition, the unusual promise deserves recognition. Indeed, we want to encourage every one of them to make a special effort to obtain the best college education possible.

As state runners-up the local students will be sent letters of recommendation by NSMC for use in applying to the colleges they wish to attend.

The National Merit Scholarship competition provides the largest system of privately financed scholarships offered in the United States. High schools may enter their most outstanding students in the annual competition. The first hurdle the students face is the "Scholarship Qualifying Test," a high level measurement of potential ability to benefit from a college education.

### Golf Team Plays Valley

The warriors took a 25-11 victory from Los Angeles Valley the last time the teams met. If they win their next match with Valley, the Warriors will have six wins and three losses with two more conference matches to go, before the conference finals on May 15.
