

# OSCAR MAPLES INC. Presents

A Timely Message  
To the People of Torrance and Vicinity  
We are having a gigantic used car stock reduction sale. Factory says we need the room for more new car trades. We desire to give you, the public, an honest deal on the car of your choice, after all it is only good business for us as an auto dealer to hold your confidence and respect, this is an item money cannot buy. If you the public would observe the following rules you would save a lot of time and money. Call up your better business bureau if you're in doubt about any dealer you are contemplating doing business with.

- Following is Oscar Maples Plan for car buyers:
- (1) You must try an Oscar Maples car before you buy.
  - (2) You take the car by yourself, the salesman does not go with you unless you request it.
  - (3) Take the car of your choice to your own inspection depot to satisfy yourself.
  - (4) Any agreement as to repairs to said car is put in writing for your protection.
  - (5) We are not in the finance business. We welcome any financing of your choice, Banks, Credit Unions, etc.
  - (6) All contracts must be filled in before delivery. You take your copy with you at time of delivery not sixty days later in the mail.
  - (7) No high pressure.
  - (8) Remember this quote, "Good cars are not cheap, cheap cars are not good."
