Register for Anza School Kindergarten

"Spring Round Up" of kindergarten children for next September will take place at the Anza Elementary school on May 21 and 22, according to R. Carl Shaner, principal.

Children must be 5 years old on or before December 2, 1957 in order to be enrolled this coming September. In registering children, parents should bring a birth certificate, baptismal record or other suitable document in order to verify their child's age.

On these two registration days, kindergarten teachers, and the school nurse will be available to answer questions, and the school doctor will examine the prospective kindergarteners.

Appointments for the physical examinations can be obtained from Mrs. Lupin, the school clerk.

Parents may also request enrollment forms by telephone. These will be mailed so parents can complete them before coming to school.

Nursery School Open House Set for Friday

Friday evening, May 10, has been set for Open House at the Torrance Nursery school, which is held at the First Methodist church, El Prado and Manuel in Torrance.

Members and the director of the school would like to better acquaint the community with the purpose and function of the only cooperative school in this area for pre-school children ages 3 to 5.

Torrance Nursery school is particularly unique in that it is sponsored by the Adult Education department of the Torrance Unified School district. This not only helps to defray the tuition cost per family, but shows the Torrance School district is interested in children of all age levels.

A great amount of work and planning by the members will make this a memorable evening. Mmes. Don McLean and Ralph Carr will present songs the children like to sing and hear, by playing the autoharp and guitar. Mmes. George Champion and Henry Morgan will be there to welcome the guests and answer questions concerning the school. Mrs. Milton Barter, the school director, is arranging appropriate displays of paintings, clay work, and books. Prospective members can talk to Mmes. Harrison McCandless and Ray Richhart.

Refreshments will be served by Mrs. Clark Williams. Co-ordinator for the Open House is Mrs. Dean Fisher.
