partment.

Journalistic history was made in Torrance recently with the publication of Torrance High's Election Extra. This four page tabloid pictured the candidates in the Student Council and class elections and listed the qualifica-

tions of each candidate. The purpose of this issue was to acquaint the general student body with the candidates and to assist them in making their decisions at the polls.

Ollie Lessin, editor, compiled the information and gathered the material for this publication. He was ably assisted by a staff consisting of six students: Vic Masaki, Bill Reynolds, Betty Yoshioka, Tom Greenlaw, Mardell Clayton and Carl Hoybe. The teacher advisors for this project were S. Frank Ruther ford, TNT newspaper advisor, and Louis L. Bereskin, student activities director.

The project was fostered and sponsored by the Student Council under the leadership of Don Kelley, president.

New School **Facilities** Being Built Swim Coach

Construction of three service Joe Rode, noted swimming shops and the central library coach, has been hired to serve as aquatic recreation supervisor for the Torrance Unified School for Torrance, according to District is now under way, ac-Elmer "Red" Moon, athletics cording to Acting Superintendirector for the Recreation De dent Sam Waldrip.

The \$605,000 facilities will be Rode has been a Red Cross located across from the Board water safety instructor since of Education on the Plaza del 1930 and has attended a number Amo.
