### Talent Shows Will Feature Local Acts

The second of a series of city-wide talent shows sponsored by the Torrance Recreation dept. is being presented at the Torrance Band Shell in Torrance park located at 2001 Santa Fe ave. The show is under the direction of Ven Hershey and Vern Clary, drama specialists.

Talent for these shows is procured by setting up shows at the various parks and playgrounds. The best acts are screened from these and are grouped together for the city-wide production.

Acts to be presented at the TNT Review will include the following: Annie Felty and Jimmy Lou Simmons singing "Angels in the Sky"; Sheila Hogan will present a solo; a piano solo by Bob Salisbury entitled, "I'll Never Walk Alone"; Colette Simko will sing a solo, "Love Me Tender"; the Vicki Hagen Dancers; Ariel and Donna Bybee in a duet; Dianna Powers will sing "Getting to Know You"; Judy Day will present a dance; other numbers will be presented by the above plus other acts not yet announced.

The time of the TNT Review will be 1:30 p.m. This show and the others following once again point up the many activities carried on and available to youngsters through participating in the recreation program offered at the parks and playgrounds.

### ESABS DEFEAT HOTSHOTS

The girls softball play swung into high gear last week with one upset highlighting the four games. The slight favorite to win the league, the Hotshots, was beaten 11 to 9, by the Esabs.

Carla Babb pitched the Esabs to victory, and was aided by the 10 hits her teammates were collecting. This "hit parade" was again led by Judy Clements, shortstop and manager, who hit three for three and scored 3 runs. These two teams play a rematch later in the summer, for what promises to be a real battle again.

The second game on Tuesday saw the K Kids pound out 13 hits while scoring a 22 to 4 victory over the Sureshots. Every player on the team hit safely at least once, with Bobbie Swanson, the K Kids' catcher, getting a single, double, and triple.

The score of the first game on Thursday between the Duffers and the Hamburgers reads like a football game. The Duffers liked the pitches of Janet Noone and Vi Lucero so well that they banged out a total of 15 hits and scored 33 runs to only 6 for the Hamburgers.

The game featured a home run by Arlene Horne, shortstop for the Duffers, and a double play by the Duffers' second sacker, Barbara Gibson who fielded the ball, stepped on second and dubbling off the runner heading for second, and then threw to first in time to get the runner.

In the fourth game of the week the Bruins continued along the winning path by downing the Basebags 16 to 3. The Bruins were again led by their versatile pitcher, who gave up only 6 hits, and helped her own game by getting four hits herself, 3 singles and a double.

Every Bruin player collected at least one hit, with Marsha Post, first baseman, slamming out a home run with two on in the fifth inning. The Basebags pulled the second double play of the young season when their shortstop, Joyce Ewart caught a high fly ball, then ran to third
