RODEO TIME AGAIN

Baiting the bull with a human target, the rodeo clown moves in close to draw a murder-minded brahma away from the fallen bull rider (left) it sought to gore. This life-saving side of their work in the arena is the true measure of the clown's worth, far outweighing his ability to tickle the funny bone of the spectators. Since brahmas will gore a horse without hesitation, mounted pickup men can't be used to help the rider down. It's up to the clown to face the bull—on foot. The Torrance Ranchero Days rodeo will be held July 27 and 28 at the Torrance Civic Center, 2 p.m. with many champion cowboys participating.

Entries Coming In For Ranchero Days Parade

Entries continue to pile up for the First Annual Torrance "Ranchero Days" parade scheduled for 10 a.m. Saturday, July 27, it was announced today by Parade Coordinator Lt. D. C. Cook.

The parade, a highlight of the five day program, July 24-28, will feature all types of entertainment. Cook added.

In addition to entries in the mounted classifications, there will be an abundance of color and music.

Floats from Douglas Aircraft, Lucky Lager Brewing co., and the US Army are already entered. Music will be furnished by the 1955 Lions National Champion Bellflower Ranger band, the Long Beach Youth band, Hawthorne Area Youth band, Sepulveda Youth band, Torrance Area Youth band and the State Champion Chung Wah Chinese Drum & Bugle corps.

The famed Florence American Legion Post No. 305 will enter its color guard and five majorette groups have filed entries.

The parade will start at Torrance blvd. and Sartori and proceed to the Torrance Civic Center.

SAILOR KILLED IN CRASH

John Ivan Childress, 21, from the US Navy carrier Wasp, died a week ago Wednesday from injuries received in an automobile accident the day before.

He was thrown from his car after it collided with one driven by William C. Daniels, 28, of 19310 Flavian st. Childress was taken to Harbor General hospital.

Other injuries during the last week include a telescope collision Thursday between cars driven by Howard W. Lutz, 45, 2443 Cabrillo, Lawrence D. Golledge, 35, and Harold Lavern Smart, 1422 W. 216th st. at Torrance blvd. and Hawthorne.

Smart's car reportedly struck Golledge's car which was standing behind Lutz's car at the intersection.

Taken to Harbor General hospital, but released following treatment a week ago Wednesday were Martin Shapiro, 65, of North Hollywood and Belva Browning, 25, of Long Beach, after a collision at Pacific Coast hwy. and Hawthorne ave.

In another accident Saturday at Carson and Western, David L. Evans, 31, of Wilmington, collided with Anita Rico, 31, of 22235 Edgar st. Evans was southbound on Western and the other car was eastbound on Carson. A passenger, Julia B. Ewins of Wilmington was taken to a private physician for treatment of injuries.
