

# YOUTH CRUSADE PLANNED

Plans for a fall evangelistic crusade especially for youth were announced recently at a day-long ministerial counsel for the 150 Seventh-day Adventist ministers in Southern California which met at the White Memorial church in Los Angeles.

The plans were made public by Desmond T. Cummings, church youth leader for Southern California.

Featured speaker for the October 18 to 26 event will be E. L. Minchin, Washington, D.C. associate secretary of the denomination's youth work.

Minchin's appearance here in Los Angeles will be one of a series of similar presentations in various metropolitan areas in Los Angeles.

# Walgren Given Harbor Area Scouting Post

Torrance this week welcomed as residents the John H. Walgren family. Walgren, a career Scouter for the Boy Scouts of America, is assigned to the Los Angeles Area Council and serves the Harbor Area as district executive.

Working with him as field executive is another Torrance resident, Robert J. Fleischman. Harbor District is the fifth post for Walgren in the Los Angeles Area Council, serving the growing communities of Torrance, Gardena, San Pedro, Wilmington, Lomita and Harbor City.

The district comprises 87 institutions sponsoring a total of 131 Cub Packs, Scout troops and Explorer posts with a membership of 4492. James L. Rush, civic leader and 2-time mayor of Gardena is serving his first term as district chairman.

A native of Salt Lake City, Utah, and a member of the LDS Church (Mormon) Walgren received his education at the University of Utah.

In 1951 he left the field of private business to enter professionally a movement he enjoyed as a boy and served in many capacities as an adult volunteer. A graduate of the 152nd National Training School for Scout Executives in Mendham, New Jersey, Walgren received his first assignment in the eastern district.

Mrs. Walgren and three children complete the family that is now home at 4114 West 183rd st.

Approval of a proposed Harbor Osteopathic hospital to serve people of the area regardless of race, creed or color, was introduced to the council by Walter Sheppman, president of the Harbor Area Retail Clerks Union.

Also receiving news of the labor group action in placing a stamp of approval on the Osteopathic hospital plan, were Bowden McElroy of Wilmington and Dr. Frederick A. Stange of Torrance, both members of the liaison committee.
